

RING SIZE GUIDE

Your rings should give you enough room to be comfortable but be snug enough to stay put. Use this Ring Guide to find your perfect fit!

Step 1: Print the Ring Guide

Print it in US Letter size and scaled to 100%. Check that it's correct by putting a credit card on the line or the correct coin in one of the labeled ring sizes. If the card or coin lines up, you're ready to go!

Step 2: Select a Ring That Fits

Use a ring that fits comfortably on the finger you want sized.
Put that ring on the ring guide below.

Step 3: Find a Match

Match the inside of your ring with the circle size closest to the ring.
When your ring is on the right size, you should see only the black circle inside your ring.

Step 4: Choose Your Size

Between sizes? We recommend going with the larger one.
Comfort is key.
